

NOTICE TO BRISTOL VOTERS

The voting districts depicted in this map are the result of the recently adopted redistricting plan. This map allows you to locate the area from which you are registered.

All registered voters will receive postcards with information about their congressional, senatorial, representative, and local district numbers, as well as polling locations where they will cast their ballots in the upcoming elections.

Upon receiving your postcard and viewing this map, if there are any questions or more detailed information needed, a larger map is posted at the Bristol Town Hall and is on file at the Board of Canvassers. Or you may call the Bristol Board of Canvassers at 253-7000, Monday through Friday, 8:00 am to 4:00 pm.
